

KNIT STITCH Garter Stitch

With the yarn in **back** of the needles, insert the right needle into the first stitch on the left needle from **left to right (Fig. 6)**. Bring the yarn **between** the needles from **left to right (Fig. 7)**. Bring the right needle with the loop of yarn toward you and through the stitch **(Fig. 8)**, slipping the old stitch off the left needle **(Fig. 9)**.

Garter Stitch:

When you knit every row, it is called **Garter Stitch** and you create horizontal ridges. Two rows of knitting make one ridge in your fabric **(Fig. 20)**.
