

PURL STITCH

With the yarn in **front** of the needles, insert the right needle into the first stitch on the left needle from **right to left (Fig. 10)**. Bring the yarn **over** the right needle to the back, then forward under it (**Fig. 11**). Bring the right needle with the loop of yarn away from you and through the stitch (**Fig. 12**), slipping the old stitch off the left needle.
